Education**

**Breakfast Club**

## What is Breakfast Club?

Finstock School is proud to offer a Breakfast Club to support parents who may need an earlier drop-off time for school. The club is run by a Play Leader, who will be assisted by others depending on the number of children attending. They ensure that the children have a safe, secure and fun environment to relax in before school.

The club is run in the School Hall, where children have the opportunity to select from activities planned for them, or to play in the secure outdoor environment if the weather permits.

## What time does it run?

The Club runs from 7.40am to 8.40am. The session starts with children eating breakfast together, before having the opportunity to play with games, puzzles, toys, ICT equipment or take part in creative activities.

At 8.40am children will be taken to their classes ready to start the school day.

## Breakfast Menu:

- Healthy Cereals
- Toast (butter, jam, marmite)
- Fresh fruit
- Juice, milk or water to drink
- Porridge (during the colder months)

**Booking for Breakfast Club is on a termly basis, but occasional bookings are available. Forms are available from the school office.**
